

FLICKINGER WINES

Winemaker Dinner Series: Domaine des Malandes

Welcome Amandine Marchive

Flickinger Wine is excited to welcome Amandine Marchive from Domaine des Malandes to present her portfolio of 2016 Chablis. Their wines continue to be of the highest quality and represent some of the best values in Chablis. Amandine took over from her mother Lyne recently and with winemaker Guérolé Breteaudeau they continue the strong performance in this wonderful commune. Their portfolio covers village to grand cru with exceptional results across the board.

Burghound has this to say - **Allen Meadows on Domaine Malandes** "I have said this before but it's worth repeating that Marchive and Breteaudeau continue to drive the quality of the Malandes wines to new heights. Readers who are not familiar with the wines owe it to themselves to try a few bottles; moreover, the prices are reasonable and thus the wines offer excellent price/quality ratios. Malandes was founded by Lynne Marchive in 1986. Winemaker Guérolé Breteaudeau joined the Domaine in 2006. There is plenty of classic Chablis character for the purists to enjoy and because of the mid-palate fat, people who just want a fine white burgundy will also find much to admire." --- Allen Meadows, The Burghound
